

San Foca & Otranto Coastline

A pristine stretch of Adriatic coastline defined by sculpted limestone cliffs, hidden sea caves and luminous turquoise waters, offering an authentic and immersive coastal experience.

Baia del Mulino d'Acqua – A natural amphitheatre of rock and crystal-clear water.

Torre dell'Orso – One of Salento's most iconic bays, embraced by white cliffs.

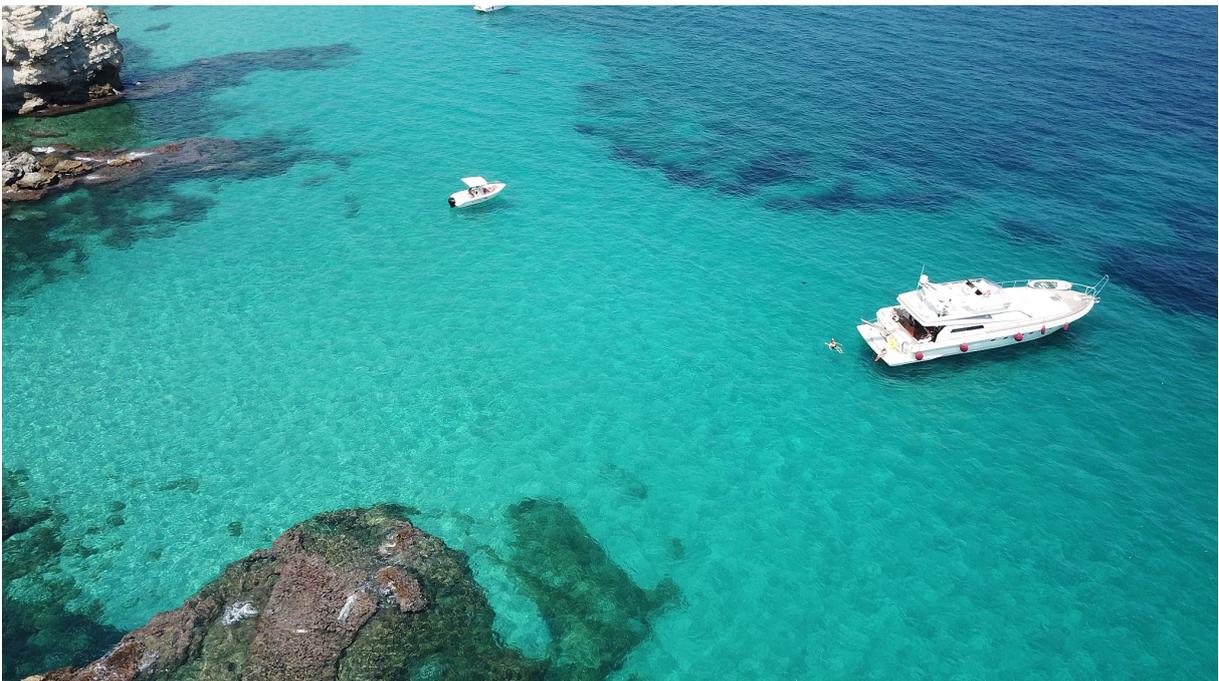

Torre dell'Orso – The legendary Two Sisters rising from the sea.

Torre Sant'Andrea – Monumental sea stacks shaped by wind and waves.

San Foca – Calm waters and inviting anchorages along the coast.

San Foca – A relaxed seaside atmosphere framed by transparent waters.
